

SAIKUMAR KALERU

INVESTOR RELATIONS ANALYST

Hyderabad | +91 9398320218 | saikumarkaleru56@gmail.com | linkedin.com/in/saikumar-kaleru

PROFESSIONAL SUMMARY

Investor Relations and MBA Finance candidate, NISM Series-XV (Research Analyst) certified, with close to two years of capital markets experience on a derivatives desk. Good at financial analysis, valuation, and equity research, with strong Excel and PowerPoint skills for earnings materials, investor decks, and peer benchmarking. Comfortable turning financial results, consensus estimates, and sector context into a clear equity story. Prepare earnings releases, fact sheets, and Q&A that hold up to analyst and shareholder questions.

SKILLS

Investor Relations: Earnings releases and presentations, investor Q&A and fact sheets, analyst and shareholder communication, consensus and estimates tracking, peer benchmarking, equity story messaging

Financial Analysis: Financial statement and ratio analysis, valuation and DCF, KPI and guidance tracking, sector and company research

Communication: Business and research writing, data storytelling, clear presentations

Finance Core: Corporate finance, economics, capital markets, financial reporting

Data & Tools: Advanced Excel, PowerPoint, Python, SQL, Power BI

WORK EXPERIENCE

D. E. Shaw India Private Limited | Member Technical (F&O Trading Desk)

May 2022 to Jan 2024

- Analysed market and company data and gave the desk short, clear conclusions.
- Tracked how the market reacted to news and events to read investor sentiment and expectations.
- Prepared daily research reports that turned complex data into plain narratives for decision makers.
- Built Python pipelines to gather and process data, which made reporting faster and more accurate.

Arcesium India Private Limited | Site Reliability Engineer (Intern)

Jan 2022 to May 2022

- Fixed production database issues and kept EC2 and RDS services available.
- Managed MS SQL and PostgreSQL databases and improved slow queries.
- Tested Flyway for automated schema migration and version control.

PROJECTS

Earnings Presentation & Investor Fact Sheet | PowerPoint, Excel

- Built a quarterly earnings deck and fact sheet covering results, KPIs, and guidance with a clear equity story.
- Benchmarked performance against peers and consensus to show where the company stands.

Consensus & Peer Benchmarking Tracker | Excel, Python

- Tracked analyst estimates and peer multiples to see how the market values the company.
- Pulled estimates into one view of the Street and flagged where results could surprise consensus.

Company & Sector Research Notes | Excel, Python

- Wrote structured notes linking financials, valuation, and market context to support investor messaging.
- Cut each note down to a short thesis and a few key messages to keep communication consistent.
