

CA Intermediate — Direct Entry Registration Checklist (ICAI SSP)

Your first concrete action. Registration is done online on the **ICAI Self-Service Portal (SSP)**:
<https://eservices.icai.org>

 **Verify-before-you-rely items** (these change; confirm on the live portal): exact **fees**, the **precise study-period rule** (months required before you can sit the exam), and the **next exam attempt** you're eligible for per the official exam calendar.

Step 1 — Confirm eligibility

- ☐ BTech final marksheet shows **≥60% aggregate** (this is your Direct Entry basis as an "other" graduate).
- ☐ (MBA Finance also supports eligibility; keep its marksheet handy too.)
- ☐ If you were a *final-year* student you could provisionally register — but you've **passed out**, so you register as a full graduate.

Step 2 — Create SSP account

- ☐ Go to <https://eservices.icai.org> → **Student** → **Register** → create login.
- ☐ Verify via OTP (email + mobile).

Step 3 — Fill the Intermediate (Direct Entry) form

- ☐ Select **Intermediate** course, **Direct Entry** route.
- ☐ Register for **both groups**.
- ☐ Enter education details (BTech + MBA).

Step 4 — Upload documents (keep scans ready)

- ☐ Recent **passport photo** + **signature** (as per size specs on portal)
- ☐ **10th / 12th** certificates (proof of name & DOB)
- ☐ **Graduation marksheet + degree** (proof of ≥60%)
- ☐ **MBA marksheet/degree** (supporting)
- ☐ **Category certificate** (if applicable)
- ☐ Aadhaar / ID proof

Step 5 — Pay fees

- ☐ Pay the Intermediate registration fee (Direct Entry). *Indicative ₹30,000–₹35,000 combined — confirm live.*
- ☐ Save the payment receipt + registration number.

Step 6 — Note your dates (put these in `05_Tracker.md`)

- ☐ **Registration date** = start of the 8-month study period clock.
- ☐ Compute **earliest eligible exam attempt** and confirm it against the **official exam calendar** (Students → Examination on [icai.org](https://www.icai.org)).

Step 7 — Book ICITSS

- ☐ Enrol for **ICITSS = ITT (Information Technology) + Orientation Course** (~4 weeks total).
- ☐ Complete it during your 8-month study period (it's a prerequisite before articleship). *Indicative fee ~₹6,500–₹7,000.*

Later (don't do now, just know they exist)

- ☐ **Exam form** for Intermediate — submit in the window ICAI announces for your attempt (separate exam fee per group).
- ☐ **Articleship registration** — after clearing both Inter groups + ICITSS.
- ☐ **Advanced ICITSS** — during/after training, before Final.
- ☐ **CA Final registration** — early in articleship (valid 10 years).
