

CA Roadmap — Direct Entry, Full-Time, Fastest Path

Your profile: **BTech (≥60%) + MBA Finance** → qualifies for **Direct Entry**. You **skip CA Foundation** and start at **CA Intermediate**. Plan follows the **New Scheme of Education & Training (2024)**.

The one thing to internalise

The **2-year articleship (practical training) is the hard floor**. Exams are not the bottleneck — training is. Even on a flawless run, qualifying takes **~3 years**. Speed comes from *clearing exams on the first attempt* so nothing delays the start of articleship.

Route (8 steps)

#	Step	Gate / rule
1	Register for CA Intermediate (both groups) on ICAI SSP portal	Direct Entry via BTech ≥60%
2	Serve 8-month study period from registration date	Cannot sit Inter exam before this
3	Complete ICITSS (ITT + Orientation, ~4 weeks)	Do it during the study period
4	Clear BOTH Groups of Intermediate (6 papers)	New scheme: articleship starts only after this
5	Begin 2-year Articleship	Reduced from 3 years
6	Clear 4 Self-Paced Modules (SET A, B, C, D)	Need >50% in each; do during articleship
7	Complete Advanced ICITSS (Adv. IT + MCS)	After training, before Final exam
8	Sit CA Final (6 papers)	Allowed in last 6 months of articleship

Indicative timeline (from ~July 2026)

Milestone	Target
Register for Intermediate	ASAP (≈ Jul–Aug 2026)
ICITSS done	during 8-month study period
Intermediate — both groups	≈ May 2027 attempt
Start articleship	≈ mid-2027
Self-paced modules SET A–D	across 2027–2029
Advanced ICITSS	near end of articleship
CA Final — both groups	≈ 2029 (last 6 months of training)
 Qualify as CA	≈ late 2029 / early 2030

 Exact exam months and how many attempts/year are offered can change. **Confirm on ICAI's official exam calendar** before you register (see `04_Registration_Checklist.md`).

Fees — rough overview (verify live on SSP)

Direct Entry students pay a combined registration that typically bundles Intermediate registration + student activity + articleship registration. Budget indicatively **₹30,000–₹35,000** for Intermediate-stage registration, plus separate fees for **ICITSS (~₹6,500–₹7,000)**, **exam fees per group**, **Final registration (~₹22,000)**, **Advanced ICITSS (~₹7,500)**, and **self-paced module assessment fees**. *These are indicative — confirm current amounts on the portal.*

Milestone checklist

- ☐ Confirm ≥60% on BTech marksheet (final degree, aggregate)

- ☐ Register for CA Intermediate (Direct Entry) on SSP
 - ☐ Note the **8-month eligibility date** in `05_Tracker.md`
 - ☐ Book & complete ICITSS
 - ☐ Study & clear Intermediate Group 1 + Group 2
 - ☐ Register & start articleship
 - ☐ Clear SET A, B, C, D (>50% each)
 - ☐ Complete Advanced ICITSS
 - ☐ Register for CA Final
 - ☐ Clear CA Final Group 1 + Group 2
 - ☐ Apply for ICAI membership → **become a CA**
